| 29<br>→ 8:15 am<br>*  | 30                     | 31<br>9:35 am to 1:50 pm<br>*** |                    |                                  |                                |                                  |

Starts slow and tired, then speeds up FAST! The intensity of this "dual" intensification cycle is such that we will be affected by it until the 28th. Many have been waiting for January to start new projects/businesses, buy homes, but not a good idea to "sign on the dotted line" until after January 28th.
